

Delivering goods to the UCL Chemistry Goods entrance, please use the address below.

Deliver to Taverton street (chem goods inwards entrance)

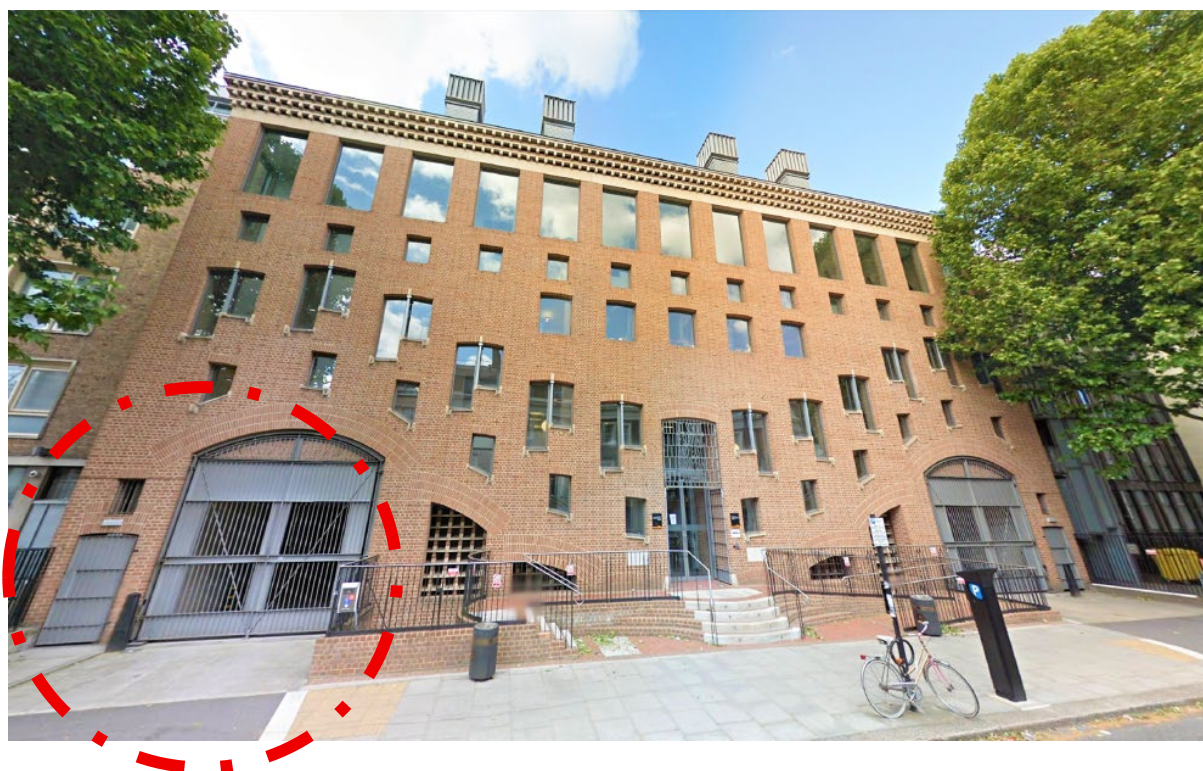

University College London

Department of Chemistry

Bloomsbury

London

WC1E 0AJ

Good entrance in grey located next to the school of Slavonic studies.

Here is the entrance to the goods yard (3.1 m height restriction): Its located right next door to the school of Slavonic studies.

View from inside

And here is the loading bay, a few feet off the ground, so a lorry or van with tail lift is important for very heavy items
