

FOR LARGE DELIVERIES TO THE DARR GROUP TO THE KATHLEEN LONGSDALE BUILDING

2 days before you come, please book your car/van here with help from ucl team
<https://www.ucl.ac.uk/estates/our-services/logistics-mail/requesting-vehicle-access-ucl>

- To take items please go to the lift at the rear of the Kathleen Langsdale building at UCL (image one)
- This is accessed via the The physics yard see image two, which is accessed from Gower place
- London WC1E 6BS
- The main thing is for driver to call us when on gower place and we can come out and help direct thereafter. Please ask us for a contact number of a researcher who will be your main contact
- Contact us on arrival to Gower place to get in smoothly, I will liaise with security ahead of time.
- Please also send us ahead of time the delivery vehicle registration, so we can let security know.
- The maximum height for the delivery vehicle is: 3.5 m (see attached image two) Image ٣ and ٤ will take you to the rear lifts at the back of the KLB which is where we need to take in the items.

The what three words for the entrance to the physics yard : ///give.pint.healers

The what three words for the delivery drop off location is further down the yard

at: ///pillow.stared.harder
